INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholder of
Cypress Capital Corporation
San Francisco, California

We have audited the accompanying statements of financial condition of Cypress Capital Corporation (a wholly-owned subsidiary of Cypress Leasing Corporation) (The Company) as of December 31, 2004 and 2003, and the related statements of operations, changes in stockholder's equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of The Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cypress Capital Corporation (a wholly-owned subsidiary of Cypress Leasing Corporation) at December 31, 2004 and 2003, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the accompanying schedules of Computation of Net Capital Pursuant to Uniform Net Capital Rule 15c3-1 of the Securities and Exchange Commission and Computation for Determination of Reserve Requirements Under Rule 15c3-3 of the Securities and Exchange Commission is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business Activity

Cypress Capital Corporation (The Company) was incorporated under the laws of the State of California on November 27, 1996. It became a member of the National Association of Securities Dealers, Inc. and concurrently registered with the Securities and Exchange Commission on April 15, 1997. The Company is a fully-disclosed broker-dealer engaged exclusively in the business of the wholesale offering and selling of investment interests in equipment leasing programs sponsored by its Parent, Cypress Leasing Corporation (The Parent) and its affiliates. The Company is a wholly-owned subsidiary of Cypress Leasing Corporation.

As a wholly-owned subsidiary, The Company is subject to the control of The Parent and its subsidiaries. It is also subject to related party transactions such as loans, dividends, and expense allocations. The Company has entered into an operating expense funding agreement with The Parent, Cypress Equipment Management Corporation II, a wholly-owned subsidiary of The Parent, and Cypress Equipment Management Corporation III, an affiliate of The Parent, whereby The Parent, Cypress Equipment Management Corporation II, and Cypress Equipment Management Corporation III, at their discretion, may directly pay certain commissions and other expenses on behalf of The Company. The payment of such expenses by The Parent, Cypress Equipment Management Corporation II and Cypress Equipment Management Corporation III results in the recognition of expense reimbursement revenue and the corresponding expense by The Company. In addition, The Parent bears overhead expenses of The Company by providing certain overhead items (such as office space, equipment use, utilities and administrative service) without charge to The Company.

Method of Accounting

The Company has prepared the accompanying financial statements using the accrual method of accounting.

Cash

For purposes of the statements of cash flows, The Company considers all demand deposit accounts and all interest bearing time deposit accounts due on demand as cash.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Commission Advances

The Company pays commissions to third parties upon the sale of investment interests in equipment leasing programs. The Company records these payments as commission advances until such time as the investor is admitted as a member in the leasing program and The Company receives its commission income.

Income Taxes

The Company is a qualified S Corporation subsidiary of The Parent and does not file separate income tax returns. As a result of The Parent's election to be treated as an S Corporation and the election by The Parent to have its subsidiaries, including The Company, become qualified S Corporation subsidiaries, effective January 1, 2003, The Parent and its qualified S Corporation subsidiaries are only subject to State Franchise tax at a rate of 1.5%. Federal and State individual income taxes are paid by the stockholder of The Parent based on the taxable income reported by The Parent. State Franchise tax is allocated to The Company based upon The Company's taxable income for the period as compared with the taxable income of The Parent and its subsidiaries.

Any income tax liability is reflected on the statement of financial condition as a payable to The Parent. Under the terms of the agreement with the Parent, no receivable is reported for income tax benefits. The Company does not have any significant taxable temporary difference that would require the recognition of deferred income taxes.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

NOTE E – NOTE PAYABLE AND SUBSEQUENT EVENT

As of December 31, 2004 The Company, The Parent and certain other affiliated entities had a joint borrowing agreement for a revolving loan in the amount of \$5,000,000, with interest at Prime + 0.5%, in which all outstanding amounts were due May 2, 2006. The borrowing agreement was collateralized by substantially all the assets of The Company, The Parent and certain other affiliated entities. The borrowing agreement provided that certain conditions must be met prior to obtaining advances under the loan. As of December 31, 2004, \$4,202,012, including accrued interest, had been advanced under this borrowing agreement to Cypress Financial Corporation, an affiliate of The Parent.

On January 26, 2005, the \$4,202,012 advanced under the joint borrowing agreement was repaid in full. There were no additional borrowings under the joint borrowing agreement from January 26, 2005 through February 25, 2005. On February 25, 2005, The Company was removed as a co-borrower from this joint borrowing agreement. As The Company is no longer a co-borrower under this agreement its assets are no longer collateralized under The Parent's joint borrowing agreement and therefore The Company will have no further contingent liabilities associated with this joint borrowing agreement.

DECEMBER 31, 2004

The Company is exempt under provision of Rule 15c3-3 due to the fact that The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities. The Company was in compliance with the conditions of the exemption.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5**

To the Board of Directors
Cypress Capital Corporation

In planning and performing our audit of the financial statements and supplemental schedules of Cypress Capital Corporation (a wholly-owned subsidiary of Cypress Leasing Corporation) (The Company) for the year ended December 31, 2004, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by The Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by The Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of The Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which The Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that The Company's practices and procedures were adequate at December 31, 2004, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
